## **Who, What, When, Where, Why and How?**

Directions: read the passage and answer the questions.

Cedric and his cat, Tux, are inseparable friends. Cedric's parents are proud of the responsible pet owner that their son has become. However, Cedric has not always been a pet owner!

One spring morning, Cedric's neighbor's cat had a litter of three kittens. Cedric had wanted a pet for as long as he could remember and now he had his chance! That very day, Cedric asked his parents if he could adopt one of his neighbor's kittens. His parents told him that owning a pet is a big responsibility. Cedric felt he was up to the challenge.

Finally, the kittens were old enough to leave their mother. Cedric had everything prepared for his new pet's arrival. He had a bed, food, a collar and some toys. Cedric chose a black and white kitten and said, "I'll call you Tux!" He brought Tux home with him and they have been best friends ever since.
